CARTON INFORMATION

Number of Cartons	1
Carton Gross Weight (kg)	3.5kg

OVERVIEW

A stunning range of glass flush fittings mounted on either Polished Chrome or Antique Brass base plates. The fittings are dressed with a frame of rectangular crystal drops and a single crystal sphere. An attractive optical illusion is created as the crystal reflects on the oversized base plate. Though the large square glass creates a sandwich effect on the crystal, the clear edge ensures none of the glamour is sacrificed.
