OVERVIEW

Due to the extensive popularity of the Chrome Rosina range Diyasa has released the entire collection in a French gold finish. This comprehensive family of crystal pendants and complimenting switched wall lamp features delicate framework which curves out in a series of arms. G9 lampholders are submerged in a cascade of crystal strands composed of crystal buttons and finished with 45mm crystal disks. The upper curve of the frame holds strands with crystal disks whilst the lower curve is dressed with a 30mm crystal ball and single crystal button.
