CARTON INFORMATION

Carton Gross Weight (kg)	1.9kg
Number of Cartons	1

OVERVIEW

Barrel forms part of the light speaker range offering a more neutral, simplistic alternative to its fun loving brother Wazowsky, but with no less features. This smooth design, mimicking the classic shape of a barrel, houses a high quality powerful 10W RMS speaker, an interactive LED system and a rechargeable battery power system. All the features are controllable by the slim compact remote control that is supplied. A single charge can give up to 9hrs of use and simple connectivity to your audio devices through the integrated Bluetooth connectivity. Rated at IP44, the sound and light can go with you outdoors, to the beach or to the swimming pool, for even greater flexibility and entertainment. A fantastic product that is unique in so many ways ...siente el sonidofeel the sound.
